

## WAIVER AGREEMENT – Updated March 28, 2006

Pursuant to Federal Statute, a carrier's written Estimate shall be based on a physical survey of the household goods, if the household goods are located within a 50-mile radius of the carrier agent preparing the Estimate. However, a shipper may elect to waive a physical survey of his/her household goods by signing a written agreement before the shipment is loaded. If you wish to waive the requirement of a physical survey, please sign your name and date this Waiver Agreement in the spaces provided below.

The undersigned acknowledges that he/she has read the foregoing and understands its contents. The undersigned wishes to waive the necessity of a physical survey of his/her household goods in connection with an Estimate by the carrier in connection with the undersigned's upcoming move.
